

# NCRM, Inc

## CAPABILITIES STATEMENT

NCRM is a specialty niche firm that provides independent scientific evaluations of natural resources for over 41 years. NCRM has provided professional land management and environmental consulting services to Federal, State, local, tribal governments, non-profit organizations, and private landowners. NCRM's mission is to provide innovative, cost-effective management solutions for clients engaged in the management of natural resources. With an office located in Ukiah, NCRM is capable of mobilizing field crews on short notice within all areas of California.

### Core Competencies
